

Strength of Accurate Group

**NATION BUILDING**

30% of salary bill towards R&D consistently over last decade

**INNOVATION**

Innovation driven-3 patents & 18 import substitutes. Strong R&D Base with Focus on Innovation

**DEDICATED TEAM**

Dedicated & well experienced team of 590+ professionals. Strong Focused and Experienced Management Team + Advisory of Domain-Experts. Nurtured value systems and culture by 7 Radiant Cardinal Principles.

**PERFORMANCE**

Awarded best Lean Practicing Company in Pune Region Consistently Growing and Profit Generating.  
ISO 9001:2015, IATF 16949:2016 certified, MSE 1 - Top rating for MSMEs by CRISIL S&P Company

**MARKET LEADER**

Established in 1993. Over 2 decades of Excellence. Regular exporters since last 13 years, 30% of revenues from direct exports to US, UK, Europe, Australia, Gulf etc. National & international Partnerships & Collaborations

AI Based Sol

Dedicated to digital twin robotic automation applications

Digital Twin

- Digital twin real-time
- In asset data and iterative
- By combining predictive
- This helps design phase
- From 3D projects
- By simulation design
- With the height

Infrastru

- Infrastru system
- By integrating datab and n
- AI alg ident
- With robo man
- The info of v

## Other Defence Solutions

- Auxiliary Power Units for T72 and T90 Battle Tanks
- Remote Controlled Weapon Station and Turret Solutions
- Portable Helipad
- Battle Tank Re-engineering
- UGV, Hybrid Conversion of ATV
- Ultra-light and Compact Power Generating Sets from 2 to 150 kVA conforming to CAL-640A, JSS 55555 and MIL-461E
- Mobile Smart Poser System for Perimeter Surveillance
- CG and Weight Simulator for Prestigious Mission Shakti
- NBC Filtration Systems (import substitute)
- Mine Plough, Mine Trawl
- Truck Mounted Crane
- Multi Purpose Fork Lift Truck
- Indigenized Honeycomb Filters

## Proud Partners in Nation Building

**Auxiliary Power Units for T-72 & T-90 Tanks**

**Re-engineering of BMP**

**Artillery Support Vehicle**

**Mobile Power Generator**

**Mobile Hybrid Power Station**

**NBC Filtration System**

**GPS-GIS Based Mine Field Recording System**

**Truck Mounted Crane**

**Portable Helipad**

### Defence Solutions

- Mounted on Tatra 6x6
- Linear Motor with Hammer
- A 25 kVA DG set along with a PDU provides power to the system.
- Controller with Various Sensors
- Pneumatic System with Actuators
- Pickets with Storage Racks
- Rope Spool Assembly with Braking Mechanism
- Picket Hammering Mechanism. The system consists of Platform with canopy.

Mine Field Marking Equipment (MFME)

2 x 50 Kva Mobile Power for IMS-III Vehicle - 13 Nos. for DRDO

2 x 40kVA EMI/EMC proof compact DG Set with 16kVA UPS for Aakash NG
